

BioResource for Rare Diseases

(part of the NIHR BioResource)

Children 6 - 10 years

Affix hospital label here

Patient Information Leaflet

27/04/2012 Version 1

Please read this carefully. There may be words you do not understand. Ask your doctor or nurse or parents if you do not understand something. Thank you for reading this.

Will anyone else know I'm doing this?

No one else apart from your family and our doctors and nurses will know you're taking part.

If you decide to help then your blood will be given a special number. The scientists who will look at your blood will not know who you are.

What if I don't want to take part anymore?

It's OK if you decide to help us and then change your mind. You can stop taking part at any time and you don't have to say why. You can still keep coming to the hospital to see the doctors and nurses for your regular appointments.

If I decide 'yes' - what next?

If you decide 'yes' then you will be asked to sign a form. Your mum or dad will also have to sign a form. This means that they allow you to take part.

Thank you for reading this – please ask any questions if you need to.
